FOREWORD

Fifth Population and Housing Census was conducted from 2nd to 18th March, 1998 and its provisional results were released in July, 1998 through Census Bulletin-1 to meet the immediate requirements of data users.

It is a source of satisfaction for me that with the completion of data processing phase of 1998 Census and subsequent publication of regular census reports at district, province and national level, final population figures are being made available to the general public and data users through revised edition of Census Bulletin-1 by updating the provisional figures with final.

I hope this Bulletin will serve as an easy and quick reference to census figures by administrative units for those who do not need detailed data available in the regular census reports.

Islamabad, 27th February, 2002

Chief Census Commissioner
